- Repair inlet and outlet scours
- Shotcreting culvert and headwall repairs
- 1,050m² of Insitu Stabilisation and Sealing

Project Overview

Milray Contracting were awarded three NDRRA packages with a value of \$1.3M from Hinchinbrook Shire Council as part of Natural Disaster Relief and Recovery Arrangements (NDRRA). These are a joint funding initiative of the Commonwealth and State Governments to provide disaster relief and recovery payments and infrastructure restoration to help communities recover from the effects of natural disasters.

The package involved the rehabilitations of rural roads in Hinchinbrook Shire. With majority of major plant supplied by Milray Contracting work was started promptly and flowed smoothly for the entirety of the project.
