June 2017 – August 2018

PROJECT REFEREE

Henery Fuller – Works Supervisor 0419 349081

PROJECT TEAM

Project Manager: Peter Bell

Site Supervisor: Ross DeCastres

PROJECT SYNOPSIS

- Insitu Lime Stabilisation

Project Overview

Milray Contracting were awarded the \$320,000 package from Burdekin Shire Council as part of Councils upgrade of Day and Browns Roads in Ayr.

The contract was awarded to Milray Contracting based on value for money and a proven track record of delivery of projects of a similar nature for Council.

These works packages are for the insitu lime stabilisation of the subgrade prior to pavement construction.

Browns Road was completed last year with Day Road scheduled for completion in August 2018.
